\*The minimum monthly payment is the approximate amount required to be paid each month for the corresponding initial purchase (includes initial amount and applicable taxes) and assumes that no additional purchases or charges (i.e. late fee, etc.) are incurred. The payment schedule assumes only the required minimum payments are made each month when due. The customer is permitted to pay more than the minimum amount due each month, and by doing so, the balance will be more quickly repaid. Payment of more than the monthly amount due will not decrease the next month's payment. There is no penalty if promotion is paid in full before promotional expiration date. For full description of the terms governing this account, refer to the Bernina Credit Card Agreement with GE Money Bank.
